Discussion, Action, Decision

Bank Statement - Ending balance as of February 2018- **\$15,751.32 w/ \$758.00 deposit**

Pay the bills- **No Bills**

Contribution to Museum of \$100.00- **Helene Motioned, was seconded, and voted yes unanimously.**

Present certificate to new co-op members- **Membership Certificates were missing**

Reports

John Bosta - SB 487 –**Recreation Marijuana Bill- John went before the BOCC meeting and said the action of their taking and charging license fees on medical marijuana and on special use permits and on recreational marijuana is in violation of the Legislation. He was ignored and they adopted it anyhow.**

NRS 237 certificate-**The State engineer has to give a developer a certificate of water available for a lot when the lot is subdivided.**

Wade Hinden - Well testing-**He reminded everyone to come up and list their name for the testing of their well. Don't have water running ½ hour prior to the testing of your well.**

Dwight Lilly - Legislation solutions-**Absent**

Tom Adams - By Laws Committee, Helene & Aaron- **this committee volunteered to rewrite our by-laws, and Tom decided they each will rewrite and add suggestions and they will submit to the committee and then Tom will submit to Board and then to Membership. He is looking at 30 days to submit his to his team.**

Dean Miller-**Absent**

Discussion, Action, Decision

Old Business - **Go to the BOCC, Water District, and Planning Board meetings and wear your shirts**

New Business-**Charlotte brought up the Tour in Mercury and if any of the members would be interested in the tour...No camera, no cell phones, and must have your birth certificate, she'll check on use of Passports**

Comments from members-**Helene- told everyone about the petition and the updates**
Adjourn meeting
